

Document Search Bot Test PDF

This is a sample document for testing the document search bot.

It contains some random text that can be used to check if the bot is working properly.

Key Topics:

1. AI and Machine Learning
2. FastAPI for backend development
3. React for frontend development
4. OpenAI or Ollama for querying document content

Test Questions:

- What is FastAPI?
- How does React help in UI development?
- What is the purpose of a Document Search Bot?

End of Document.
